Patient-(em)powered Healthcare

opalmedapps.com

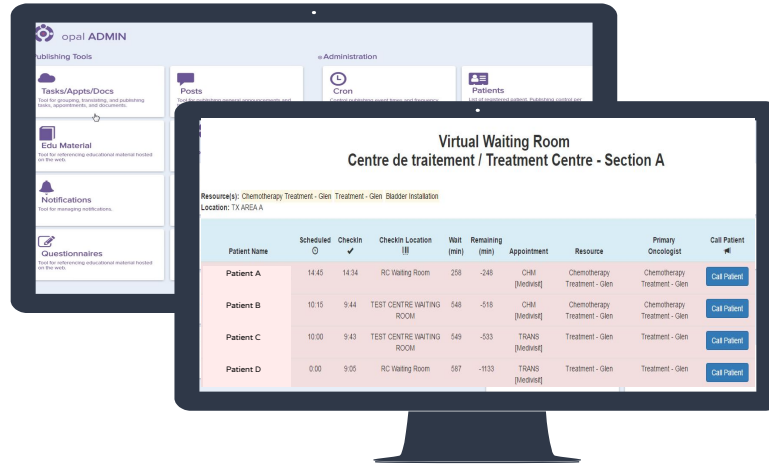

A Win - Win - Win Solution

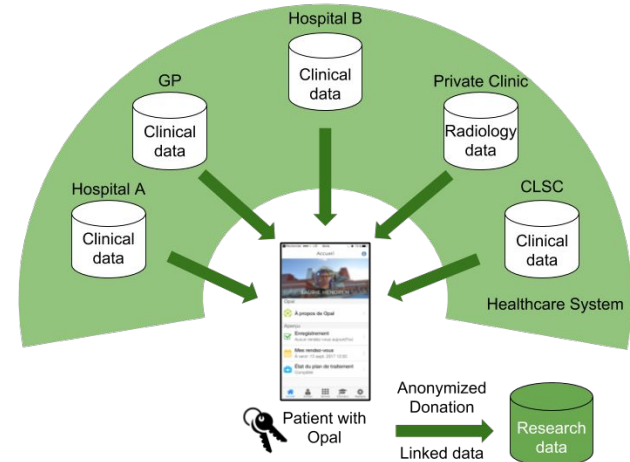

Empowered patients

- × Access their data
- × Use mobile appointment check-in
- × Report their symptoms
- × Donate their data

Productive clinicians

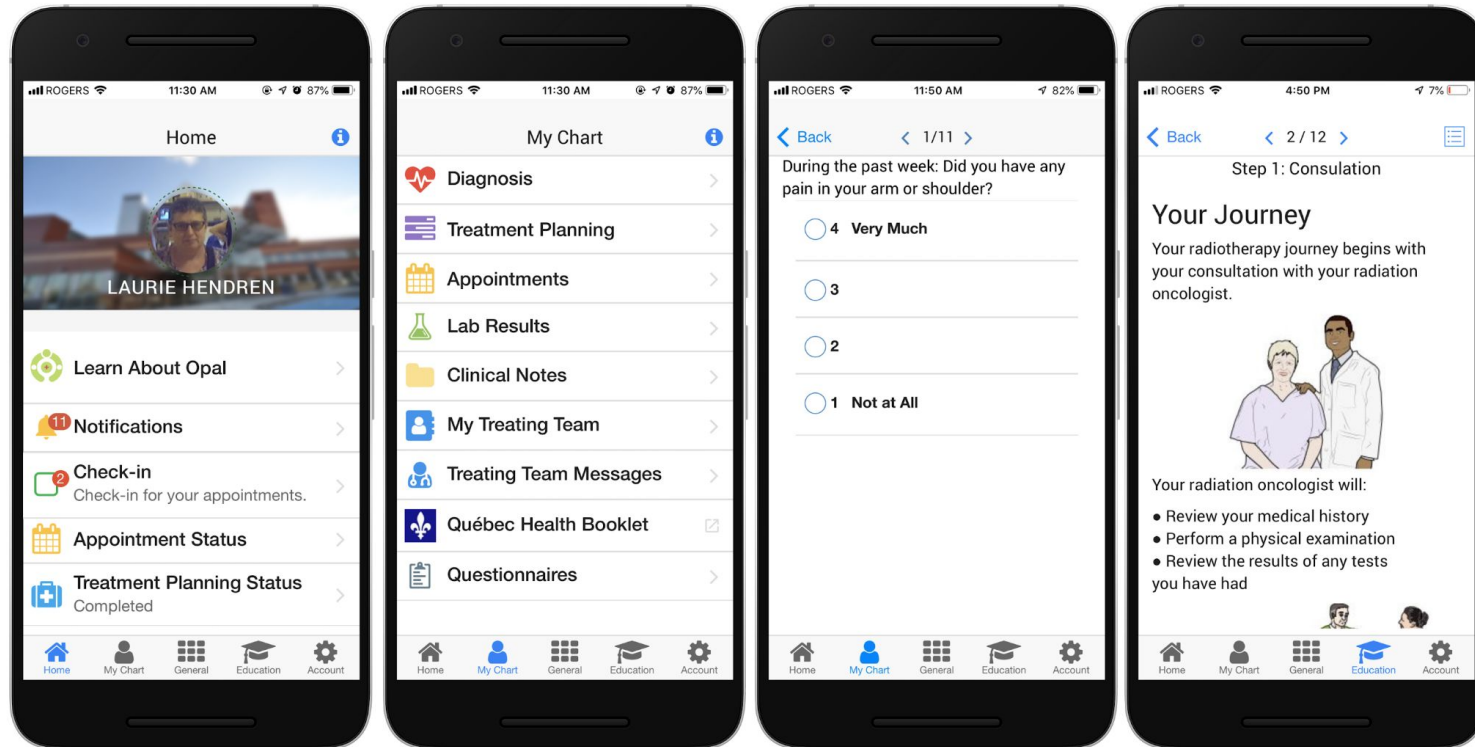

- × Use a virtual waiting room
- × Manage a virtual clinic dashboard
- × Set rules to publish information

Informed research

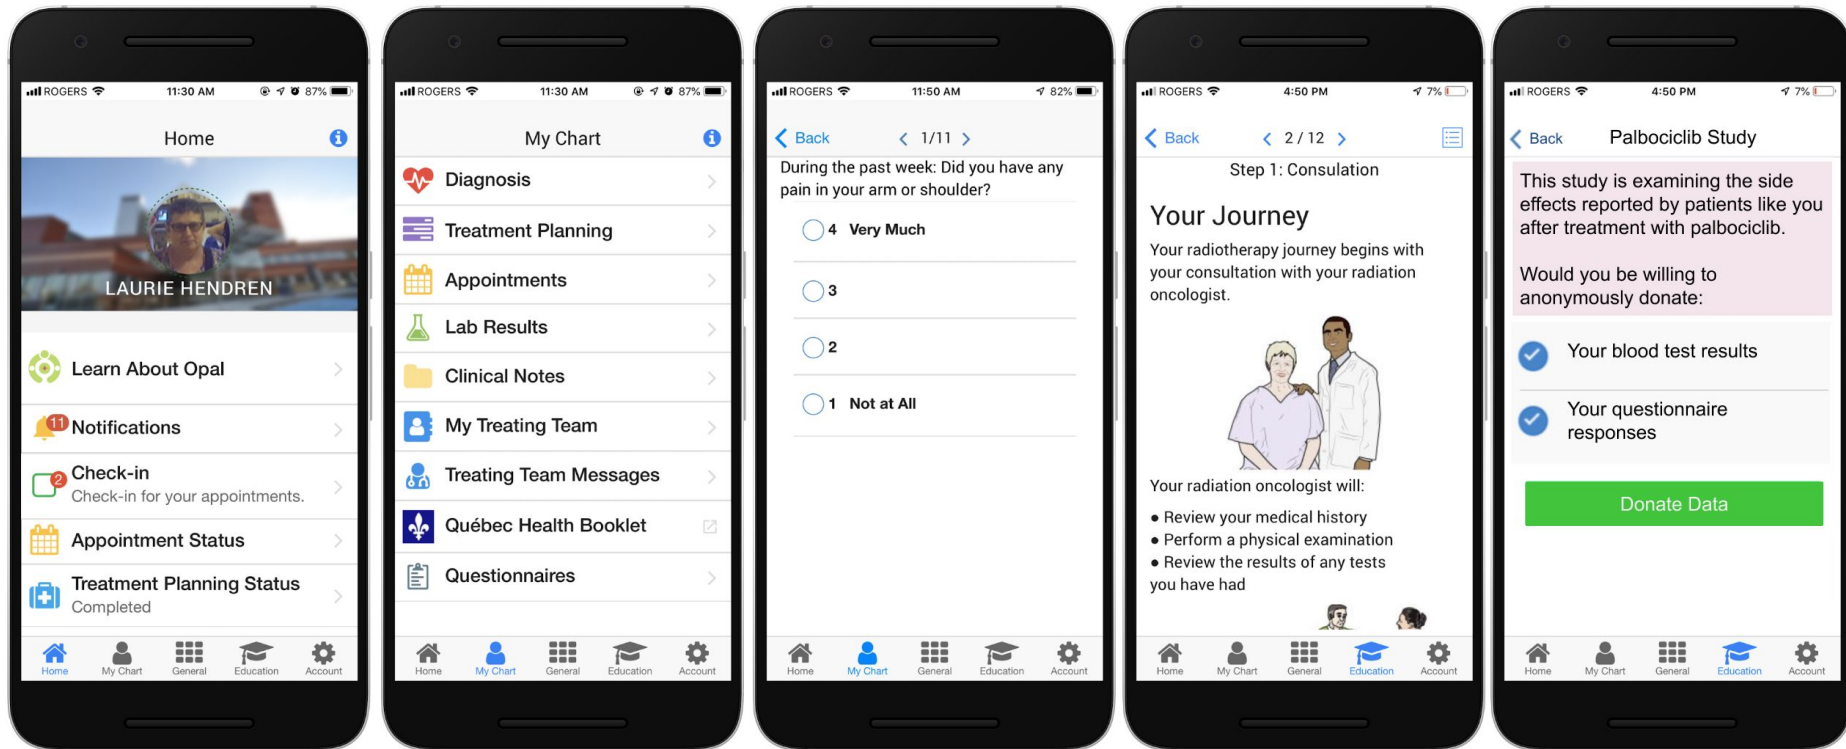

- × Recruit patients
- × Access PROs
- × Access multi-institutional real-world data

Powerful Patient Engagement

Empowered and engaged patients...

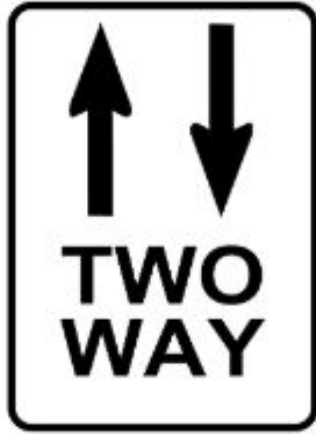

Engage to Donate

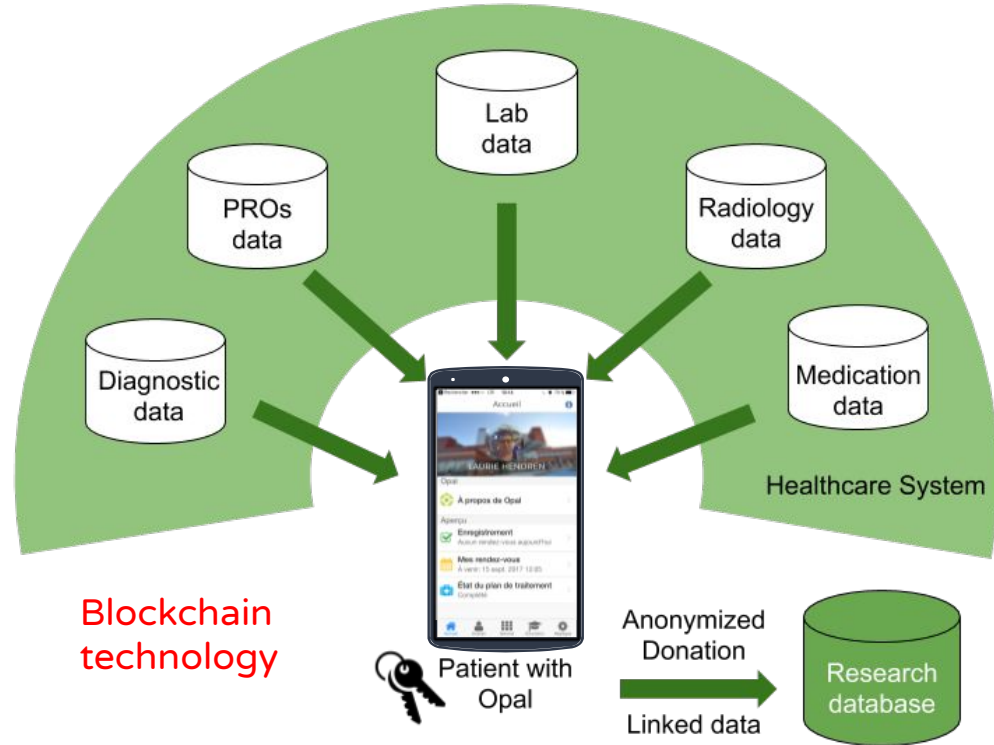

Empowered and engaged patients...

Data donation

Vision: Multi-Institution Data Donation

- × Needs to be worthwhile for the patient
- × Direct outreach
- × Patient-researcher communication

Acknowledgments

Patients, students, clinicians and all stakeholders who helped and continue to help
