

# Space - The Benefits and Responsibilities

November 7th, 2023

What we do in life echoes in eternity ...

## Sustainability.... of what?

A photograph of a crowded train car, likely in Japan, showing many passengers. Several people are holding and looking at their mobile phones. The train car has overhead handrails and advertisements on the walls. The text "The world's economy depends on satellite services" is overlaid in white on the image.

The world's economy depends on satellite services
