## SLOGAN

“ Our family has a history of investing, growing, supporting, and building financial companies for the past five generations. With the rising need to support the customer journey through fintech adoption, we have decided to launch **Holt FinTech Accelerator** that focuses on integrating FinTech businesses with Canada's best innovation partners, while expanding their international network.

*-Brandon Holt Dunn*

# What we do

# Become a corporate champion

**Discussions around problems**

**Match-Making!**
